

STUDENT NAME: _____

RUBRIC

GRADE: _____

Category	Student Assess	Teacher Assess	Excellent A	Good B	Satisfactory C	Needs Improvement D	Not engaged in the learning F
Preparedness			Always arrives to class prepared with needed materials and is always ready to work.	Almost always brings needed material to class and is ready to work.	Sometimes needs to borrow needed materials and not ready to work.	Almost never comes prepared with needed materials and must be reminded often to get work done.	Never comes prepared with needed materials and often sleeps or is off-task instead of working.
Contribution to Class			Regularly listens and provides good ideas in class discussions or when answering questions.	Usually listens and provides useful ideas when participating in classroom discussion.	Is easily distracted, sometimes listens, and must be called upon in order to participate..	Usually not focused, lacking attention, and not listening. Contributions are often off-topic and may cause a distraction to other students.	Refuses to participate, sleeps in class or is engaged in off-task behavior. Responses typically distract from class discussion and/or topic.
Behavior			Always respectful of teacher and others, has a positive attitude, does not criticize, always alert, and never disruptive.	Usually respectful of teacher and others, mostly positive attitude, and shows no disruptive behavior.	Often or occasionally has a positive attitude, behaves in a respectful manner, very little disruptive behavior	Often involved in a variety of disrespectful behaviors that cause class disruptions. Frequently sleeps or is involved in off-task behavior.	Frequently disrespectful and involved in off-task behavior.
Focus on Class Work			Self-directed, always focused, completes and turns in work on time.	Frequently focused, completes and turns in work on time..	Is often reminded to focus on work which is completed late but still turned in the same day.	Rarely focuses on work, must be constantly reminded to get work done, and is almost always completed late, but still turned in same day.	Never focuses on work, may refuse to do the work and engages in off-task behavior.
Content			Work stands out as particularly effective, the presentation of ideas and solutions is extremely well developed, turned in on time, with responses that are excellently aligned with directions and instructions.	Work is mostly effective, presentation of ideas and solutions is mostly well developed, responses are mostly aligned with directions and instructions, and work may have been turned in past the due date.	The work is not entirely effective, the presentation of ideas and solutions is confusing, many responses do not align with directions and instructions, and/or responses are missing, and work may have been turned in past the due date.	The work is mostly ineffective, and the presentation of ideas and solutions is mostly discernable. The work is incomplete, and may have been turned in past the due date.	Little to no attempt was made to do the work.
